Education

Faculty of Arts and Science, University of Toronto, 2026

Planned H.B.Sc. in Cognitive Science (Computational Cognition), Statistics, and Psychology.

Research

Volunteer Research Assistant, UofT Language & Learning Lab 2024 –

- Recruit children from ages 2-12 for psychological experiments.
- Craft stimuli for experiments and prepare materials for scholarly presentations.

Volunteer Research Assistant, UofT Consciousness & Wisdom Studies Lab 2023 –

- Compile, differentiate, and annotate bibliography for a literature review on horror, moral disgust, and problem-solving.
- Assist PIs - PhD candidates - in applying for SSHRC Insight Grant to inquire relation between the emotion of horror and PTSD.

Volunteer Research Assistant, UBC Language & Learning Lab 2023 –

- Code signed language signs from a database for their reference frames and spatial relations for Dr. Oksana Tkachman.
- Troubleshoot a novel spatial framework in coordination with PI and peers based on inconsistent coding data.

Professional

Child Program Assistant, UofT Family Housing Jun 2024–

- Support a drop-in daycare for children aged 0-5.
- Plan a summer French language learning program for older children.

Executive Secretary, UofT Student Env. Resource Network Jun 2023–

- Update and manage uterntoronto.com, uterntoronto@gmail.com, general members' mailing list, and minutes for meetings.
- Passed new constitution following compilation of past administrative problems based on careful analysis of past financial audits.

Supported Child Care Worker, BGC Canada Jun 2023–Sep 2023

- Actively attend to social/recreational needs of 5-12 year-olds and their families.
- Responsible for one-on-one support for children with special needs.

Camp Supervisor/Flight Sergeant, Cadets Canada Jun 2022–Aug 2022

- Plan camp's daily schedule to fulfill citizenship, physical, and career exploration requirements for cadets aged 12-15.

Conferences

Le, D., Tkachman, O. (2024, March) *Spatial Frames of Reference in Signed Languages*. Project presented at the Western Interdisciplinary Student Symposium on Language Research (WISSLR), London, Ontario.

Affiliations

Junior Editor, Mentis - UofT Cognitive Science Undergraduate Journal 2024 –

Staff Writer, Demo Magazine - Hart House Music Publication 2023 –
